

## Lincoln Parish Library Events Center Policy

The primary purpose of the Lincoln Parish Library Events Center is for library activities, including programs and exhibits presented by library staff, the Friends of the Library or other organizations affiliated with the library. When the Center is not being used for a library activity, the space will be available to the public for rental for a number of uses. Access will be provided on equal terms, regardless of the beliefs or affiliations of individuals or groups requesting use. The library does not advocate or endorse the viewpoints of any group or individual.

**The Lincoln Parish Library and Library Events Center will observe the most current mandate from the State of Louisiana concerning capacity limitations and/or recommendations involving regulations for public health and safety.**

**We ask that you please read through these Policies completely prior to submitting a rental request.**

- Persons or groups must submit a completed *Reservation Request Form* to library staff at least 30 business days before the event. The reservation is not complete until the form has been submitted and approved.
- Only persons age 21 and older, as determined by valid driver's license, may rent the Events Center.
- Meeting room space is primarily intended for specific events rather than for regularly scheduled, on-going meetings. Use of a space with a frequency of once a month or greater will be considered a regularly scheduled meeting.
- Groups and individuals renting the Events Center space may not charge admission fees. No products or services may be advertised, solicited, or sold in library meeting rooms or on library property, except items from artists, authors, or performers in a Library sponsored event and vendors at conference events.
- Educational courses conducted by non-profit agencies may charge fees for learning materials.
- Fundraising events sponsored by the Friends of the Library or other library affiliated organizations will be permitted.
- The parking lot is to be used for parking only. No activities will be held there.
- Events Center programs must not interfere with regular library operations. Undue interference could be caused by:
  - crowds too large for meeting space available.
  - noise level of the group.

The fact that a group is permitted to meet at the Library does not constitute an endorsement of the group's policies or beliefs by the Lincoln Parish Library.

The Lincoln Parish Library does not discriminate in making its premises available for use on the basis of race, color, national origin, religion, gender, age or disability.

Questions on reserving meeting or event space at the LPL Events Center should be directed to the Director of the Library.

## Fees

Fees are set by the Library Board of Control and are reviewed regularly. Fees are subject to change without notice. However, scheduled events will not have fees changed.

The hours booked will include time for setup and cleanup of the space being used. The person or organization using the facility is responsible for their own setup and takedown. The Library will provide clean facilities before any meeting or event.

The renter is liable for any damages to equipment and/or facilities of the Events Center due to negligence of any person participating in the scheduled event.

Security is required for all events hosting 100 or more people. The Security fee is \$35/hour per officer.

## Bookings and Cancellations

To reserve space in the Library Events Center, a Reservation Request Form must be completed and submitted to and approved by the Library Director.

Space is booked on a first reserved, first served basis. Requests should be submitted at least 30 business days in advance of each reservation date. A completed request form is required for each date, unless a single event is held on consecutive days. A submitted request form does NOT constitute a guaranteed reservation.

The Library will take precedence in reserving space for its own events.

A full refund will be granted only if cancellation occurs more than 30 days in advance of the scheduled event. Twenty-five percent of the rental fee will be refunded if cancellation occurs within 14-30 days of the event. The rental fee is non-refundable if cancellation occurs less than two weeks before the event. Refunds will be made within 30 days of cancellations.

## **Publicity**

The renter is responsible for any publicity of their event. Publicity materials may not list nor imply the Lincoln Parish Library is a co-sponsor of an event or meeting unless the event has been officially approved and designated by the Library as such.

Library phone numbers may not be listed for information on any event. The Library requires that all printed materials, press releases, posters, and other information regarding the event include a contact phone number and return address for the organization or individual booking the room.

The renter should not issue invitations or press releases until the reservation request form has been approved by the Library Director and all fees are paid in full. The use of the Library's logo is prohibited.
